Terms and Conditions of Usage

The Human Scent Dataset is available for non-commercial academic use free of charge. While we strive for accuracy, we accept no responsibility for errors or omissions within the database.

Terms of Use:

Commercial Use: Any commercial distribution or usage of this database is strictly prohibited.

Redistribution: You may not distribute this dataset to third parties who have not agreed to these terms.

Liability: Neither the Czech Technical University nor its information providers shall be held liable for the content, accuracy, or any consequences arising from the use of this data.

Amendments: The Czech Technical University reserves the right to modify or delete data at any time without notice or liability.

Any publication using this database must reference to this website:
https://cmp.felk.cvut.cz/~spetlrad/identity_verification_from_human_scent.html,
and this paper:

Spetlik, R., Hlavsa, J., Čechová, J., Pojmanová, P., Matas, J. and Urban, Š. (2026) Identity Verification from Human Scent Using Channel Representation of 2D Gas Chromatography-Mass Spectrometry Data. In Proceedings of the IEEE/CVF Winter Conference on Applications of Computer Vision (WACV), 2026.

☐ I accept the Terms and Conditions of Usage
